

To whom it may concern, It's my understanding that a petition forced by the National Association of Broadcasters has been brought before you.

PLEASE REJECT THE NAB's PETITION 04-160 !!

I pay for my services, it should not be up to the National Association of Broadcasters to dictate what I'm permitted to hear. Frequently I am in areas where there is no local radio station and I would be lost without my XM satellite radio.

Please preserve my right to select my own programming.

Respectfully,
Lloyd Kuhlmann
